The State Innovation Model Program Management Office is currently enrolling practices and currently projects enrollment of nearly 40 practices by the end of July 2015. Our goal is to recruit 50 practices.

The SIM PMO is extending the deadline for the Advanced Medical Home Vanguard Program RFA from July 31, 2015 to Monday, August 31, 2015 at 3:00PM in order to allow time for additional applications. The application period may close prior to the new deadline if the PMO receives completed applications that meet all eligibility criteria area and enable the SIM PMO to achieve the target combined total of 50 practices.

Please note: the SIM PMO extended eligibility for **the Advanced Medical Home Vanguard Program to independent practices** in a previous Addendum dated 6/26/15. Please see the Sixth Addendum for details.
